

Benefits of Sponsorship

Quickstrike Niagara takes advantage of all of the available methods of promotion to support the donations of large corporations and local businesses. In addition to advertisement, sponsoring Quickstrike Niagara creates additional benefits for businesses who contribute.

Increase Publicity and Visibility

- Community exposure through team demonstrations and presentations at schools, community groups, and local events
- Worldwide Exposure to over 30,000 Students, 18,000 Mentors, and 5,700 volunteers
- Media Coverage on many national and local sources which have shown the FIRST® Robotics competition in whole and in part

All Sponsors will receive: Team Update emails and Invitations to Promotional and Special Events

Sponsorship is for the season from July 1st, 2019 until June 30th, 2020

Or we invite you to supply Quickstrike Niagara Team 6978 with materials needed during the year.

For building the robot, we could use...

- Aluminum: sheet, billet, angle/L-channel
- Fasteners
- Steel shafts, bar stock of different diameters
- Surgical/PVC/ABS tubing
- Plastic: Lexan, acrylic, industrial nylon
- Wood (2x4, spruce plywood)
- Building supplies, tools
- Misc Electrical supplies, wire, batteries
- Laptops, camera/video, GoPro
- Custom Decals, Banners
- Donated services (web design, metal fab, etc)
- Bling, giveaways, pens, buttons, bags

For raffle draws and fundraising we could use...

- Gift certificates, coupons, gift baskets, promotional materials, t-shirts
- Display folders, art supplies, clipboards, CDs, poster materials, printing services, printer ink,

These are just a few examples.
For more information, please contact
the team.

We also need Interested Mentors with expertise and passion for FIRST
